NOTICE
NO. 36-53

4 December 1953

SUBJECT: Red Cross Blood Program

1. The Red Cross has, from time to time in the past, asked for volunteers for the National Blood Program. Since this Program reflects a continuing need, arrangements have been made with the Red Cross to handle donors from the Office of Training on a planned monthly basis.

2. I have asked Mr. Edward Cates to serve as contact for the Office of Training in this Program. He in turn will request other persons in the individual Divisions and Staffs to serve as contacts in their respective areas.

3. The Red Cross Blood Program is a public service, dedicated to serving you and your neighbors. Like every public service, it is as effective as your participation and support make it.
